

Quality, Safety and Environmental Policy Statement

Building Solutions Brisbane Pty Ltd is a dynamic company that specialises in bespoke contracting works. Services are offered to clients throughout Queensland. Our tailored skills and innovating solutions place us as recognised leaders within our field.

We pride ourselves on delivering high quality work to our clients and delivering projects on time, and within budget. We are committed to minimising the risk of injuries, illnesses, stress or environmental impacts arising during the course of our operations.

We have implemented and are committed to, maintaining a simple robust quality, safety and environmental (QSE) management system to support our vision.

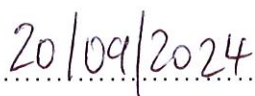

Our Commitment

- The Management team leads by example and supports team members in fulfilling their individual QSE obligations through:
 - **Providing information, training and supervision** to ensure our team members know and understand what they are required to do to ensure safety and environmental risks are minimised and excellent workmanship and service is delivered to our customers;
 - **Consulting and communicating** with our workers on all aspects of operations and providing a supportive work culture that recognises and rewards good performance; and
 - **Providing active and ongoing supervision** to team members.
- We take a **risk focused approach** to our activities by Identifying risks, implementing control measures, and conducting ongoing monitoring and review of work practices and procedures to identify opportunities for continuous improvement;
- At a minimum, we **comply with the laws and supporting Codes of Practice and Standards** that govern our activities;
- We provide and **maintain healthy and safe working conditions, practices, procedures and systems** for our employees and parties associated with our product and services;
- We ensure we have processes in place to manage the **psychosocial aspects** of our business, to ensure our workers are emotionally supported, and the risk of workplace stress is minimised in so far as it is practicable; and
- **Incidents and non-conformances are reported**, and root causes are identified to ensure corrective actions can be implemented to ensure continuous improvement to QSE outcomes.

The Management Team:

- Sets and implements **strategic QSE objectives and targets** to ensure the business continues to improve its performance;
- **Reviews and analyses relevant data** and information, to make informed decisions relating to QSE requirements; and
- **Allocates human and financial resources** to meet the commitments of this Policy.
